

**Santa Monica Language Academy** is the place where children learn a new language, have fun and discover a new culture.

### **Kids & Teenagers Online Language Classes**

Have your child learn a second language and prepare him/her for the future! Our small group classes are all about having fun while learning another language. Experienced, native speakers will provide the best learning experience for your child.

### **After School Online Classes**

We offer after-school classes for children aged 4 to 12 years old & teenagers (13-16 years old). Groups are small, between 2 and 6 students. Our teachers will guide the students in their learning process, making sure that they have the best experience.
